

13. A process for washing a substrate comprising the steps of first providing a substrate and a detergent tablet, second rubbing the detergent tablet onto the substrate, and third inserting the substrate and the tablet into a washing machine, the wash taking place normally thereafter.

14. A process according to claim 13, wherein the tablet is according to claim 10.

15. A process according to claim 13, wherein the part of the detergent tablet rubbed during the second step is a portion or the whole of the part of the outer surface of the detergent tablet which is semi-solid.

16. A process according to claim 13, wherein the substrate is dried prior to the second step.

17. A process according to claim 13, wherein the substrate is a piece of fabric, and wherein the washing machine is a laundry washing machine.

18. A process according to claim 13, wherein the substrate is a piece of cooking-ware or table-ware, and wherein the washing machine is a dish washing machine.

Conclusion

Support for these amendments is found in the claims as originally filed. These amendments are entered to bring the claims into conformance with 37 CFR §1.75; no new matter is added.

Respectfully submitted,
